

**NEW**  
**Starting**  
**2/21/22**

Memphis Obstetrics & Gynecological Association, P.C.

### Digital Appointment Check-In

- Check-in **MUST** be completed prior to arriving for your appointment & can be done from your own device (phone, tablet, computer)
- You will receive confirmation email for your upcoming appointment (when appointment is scheduled). A reminder will be sent by email & text 24hrs prior to appointment, and again 2hrs prior to appointment. The text will be from "43498".
- Click "Check in", confirm date of birth, and follow the prompts.
- Verify/update your demographics, medical history and sign forms
- You will still sign in at the front desk, present your insurance card, photo ID and payment when you arrive for your appointment.

 **Faster & Smarter**

 **Private & Secure**

 **Simple & Quick**

We are so excited to offer this Simple & Quick enhancement.

## Continue to use your Patient Portal

### Communicate in a secure & confidential manner

- Exchange messages with our practice
- View lab results and health records
- View upcoming appointments
- Request appointments
- Review and pay billing statements
- Research Health topics
- Send and receive forms & letters
- Request Medication Refill

The screenshot shows the Patient Portal homepage. At the top, it features the MOGA | MOW | WPG | WHS logo and the text "Memphis Obstetrics & Gynecological Association, P.C.". Below the logo is a red cross icon with the text "Dial 911 in the case of a medical emergency". The main content area is titled "Welcome to the Memphis Obstetrics and Gynecological Association P.C. Patient Portal". It is divided into two columns. The left column is titled "Make a One-Time Payment" and includes a text input field for "QuickPay Code, Statement ID, or Access Code", a "Where can I find my code?" link, and a "Make a Payment" button. The right column is titled "Sign In to Your Portal Account" and includes a "Log in with 'Remember Me'" button, a "Forgot your password?" link, a "Questions? Learn more" link, and a "Don't have an account? Sign up today" link.

**If you do not have a Patient Portal, please let our office know**

**All we need is your email for an invite to be sent.**

**Communication just got easier !**
